If the student successfully passes the term then they will earn 1 credit for each class. **Except** for Physical Education (PE) in which each term is 0.58 credits and Health Education which is only taken for 1 term and results in 1 credit. .*

### **English**

- English 10 Term 1 - EES83/Term2 - EES84 (2 credits) (Prerequisite- English 9)
- **or** AP Seminar Term1 - EES41X/Term2 - EES42X (2 credits weighted)
- **or** AP English Literature Term2 - EES83X/Term2 - EES84X (2 credits weighted)

*\*AP courses require application and approval*

### **Social Studies**

- Global History Year 2 Term1 - HGS43/Term2 - HGS44 (2 credits)  
(Prerequisite-Global History Year 1)
- **or** AP World History Term1 - HGS43x/Term2 - HGS44X (2 credits weighted)  
(Prerequisite-Global History Year 1)
- **or** US History Term1 - HUS21/Term2 - HUS22 (2 credits)  
(Prerequisite-Global History)
- **or** AP US History Term1 - HUS21x/Term2 - HUS22X (2 credits weighted)

*\*AP courses require application and approval*

### **Mathematics**

- **Algebra I MES21** (this only applies to transfer students who didn't take course in 9th grade)
- Geometry Term1 - MGS21/Term2 - MGS22 (2 credits)  
(Prerequisite-Algebra 1)
- **or** Algebra II/Trigonometry Term2 - MRS21/Term2 - MRS22 (2 credits)  
(Prerequisite- Geometry and Algebra I)

### **Science**

- **Living Environment SLS21 (2 credits)** (this only applies to transfer students who didn't take course in 9th grade)
- Earth Science Term1 - SES21/Term2 SES22 (2 credits)  
(Prerequisite- Living Environment)
- **or** Chemistry Term1 - SCS21/Term2 SCS22 (2 credits)  
(Prerequisite- Earth Science)
- **or** Introduction to Environmental Geology Term1 - SDS21/Term2 - SDS22 (2 credits)  
(Prerequisite- Earth Science, Chemistry)

## **World Language**

- Your choice of language from 9th grade:  
Spanish Level II Term1 - FSS63/Term2 - FSS64 (2 credits)  
French Level II Term1 - FFS63/Term2 - FFS64 (2 credits)  
*(Prerequisite- Level I in the selected language course; i.e. Spanish 1, or Mandarin I, or French I)*  
\*Students need 3 years in the same language course to be eligible for the Advanced Regent diploma.

If the student successfully passes the term then they will earn 1 credit for each class. **Except** for Physical Education (PE) in which each term is 0.58 credits and Health Education which is only taken for 1 term and results in 1 credit. .*

### **English**

- English 11 Term1 - EES85/Term2 - EES86 (2 credits)
- **or** AP Seminar Term1 - EES41X/Term2 - EES42X (2 credits weighted)
- **or** AP Research Term1 - EES43X/Term2 - EES44X (2 credits weighted)  
(Prerequisite - AP Seminar)
- **or** AP English Literature Term1 - EES83X/Term2 - EES83X (2 credits weighted)
- **or** AP English Language Term1 - EES85X/Term2 - EES86X (2 credits weighted)
- **or** Film Studies Term 1 - (2 credits weighted)

*\*AP and Film courses require application and approval*

### **Social Studies**

- US History Term1 - HUS21/Term2 - HUS22 (2 credits)
- **or** AP US History Term1 - HUS21X/Term2 - HUS22x (2 credits weighted)
- **or** AP Human Geography Term1 - HPS21X/Term2 - HPS22X (2 credits weighted)  
(elective)  
(Prerequisite - US History)

*\*AP courses require application and approval*

### **Mathematics**

- Algebra II/Trigonometry Term2 - MRS21/Term2 - MRS22 (2 credits)  
(Prerequisite- Geometry and Algebra I)
- **or** Finance Math Term1 - MQS81/Term2- MQS82 (2 credits) (elective)
- **or** Precalculus Term1 - MPS21/Term2 - MPS22 (2 credits)  
(Prerequisite - Alg II/Trigonometry2 )
- **or** Computer Science Term1 - MKS21/Term2 - MKS22 (2 credits) (elective)
- **or** AP Computer Science Term1 - MKS21X/Term2 - MKS2X (2 credits weighted)(elective)

## **Science**

- Chemistry Term1 - SCS21/Term2 - SCS22(2 credits)  
(Prerequisite- Living Environment - Earth Science)
- **or** Introduction to Environmental Geology Term1 - SDS21/Term2 - SDS22 (2 credits) -  
(Prerequisite- Living Environment, Earth Science, Chemistry)
- **or** AP Biology Term1 - SBS21X/Term2 - SBS22X(2 credits weighted)  
(Prerequisite - Living Environment, Chemistry)

\*AP courses require application and approval

## **World Language**

- Your choice of language from 9th grade:  
Spanish Level III Term1 - FSS65/Term2 - FSS66 (2 credits)  
French Level III Term1 - FFS65/Term2 - FFS66 (2 credits)  
(Prerequisite- Level II in the selected language course; i.e. Spanish 2, or Mandarin 2, or French 2)

\*Students need 3 years in the same language course to be eligible for the Advanced Regent diploma.

## **Miscellaneous Elective**

- Personal Finance Term1 - RZS21/Term2 - RZS22 (2 credits)

## **Arts**

- Film Theory Term1- AKS41/Term2 - AKS42/Term3 - AKS43/Term4 - AKS44 (2 year commitment ends with 4 credits)
- Varies depending on your arts major (Dance, Visual Arts, Drama, Vocal, Instrumental)
- Student will have 2 periods of their arts major each day

## **Health/Physical Education**

- Health Education PHS11 (1 credit)- (you will only need to take this class if you didn't already complete it in the 9th-grade)
- Physical Education Term1 - PPS75/Term2 - PPS76 (0.58 per term)-Students will have a PE course each term through their high school career

### **Senior Year (12th Grade)**

*\*Each class is offered for the entire school year (Term 1 and Term 2). If the student successfully passes the term then they will earn 1 credit for each class. **Except** for Physical Education (PE) in which each term is 0.58 credits and Health Education which is only taken for 1 term and results in 1 credit.
