

DANIEL A. VECCHIANO
Principal

Good Morning Brooklyn Arts Community,

On behalf of all of us here at Brooklyn Arts, we hope you had a safe and healthy summer. This is a quick reminder to prepare for your return to school.

- On Monday we will hold Town Halls for ALL STUDENTS virtually, as well as an orientation for new students (see times below).
- Please remember that Blended Learning in the building will happen 100% online (just like when you are home). Students will be assigned one classroom and computer for the day to log into their classes. They must wear a mask throughout the day. Lunch will also be in that location. If you have not yet opted into full remote you may still do so at <https://www.nycenet.edu/surveys/Guardian>
- September 16th-18th will be Partial Instruction Remote Days. Students should log-on to all of their classes on Google Classroom to get relevant information about requirements, materials, etc.
- Full instruction (Blended and Remote) begins on September 21st at 9AM. Team Blue will be in the building. All others will be remote.

Blended Learning Freshmen/New Student Orientation (September 14th at 9AM-11AM) Please enter through the courtyard on Pacific Street.
