

Good Afternoon Brooklyn Arts Families,

I hope this message finds you well. Thank you all so much for a smooth beginning to the 2023-2024 school year. Below are some important updates for students and their families in regards to checking grades and keeping up with student progress. This message will be posted on our website "Announcement" page as well.

- [Students](#) and their [families](#) may access grades through their NYCDOE Accounts. Students can get login assistance by [clicking here](#). Parents can get assistance by [clicking here](#). Teachers will have gradebooks up to date by the end of this week to the best of their ability. Please be patient and kind as the system has been wonky. Our teachers have been working really hard to navigate these issues. Contact them directly if you have any questions. All staff emails can be found on our website's 'Staff Directory' page.
- The DOE Gradebook is still upgrading from the family and student side. Look for a smoother experience (and an app) in the weeks to come.
- Although it is not currently our primary gradebook, most teachers still use Google Classroom as a place to post assignments and resources. Families can request to be added if they'd like to see what's happening in the class.
- Families will receive a weekly progress report on Wednesdays. This week's was incomplete as we are still onboarding teachers. Next week's will be more accurate.
- Next Thursday, is our virtual prerecorded "Meet The Teacher" event. Teachers will send you links to introductory videos about their classes. If you have any questions feel free to email them directly. We will also share a spreadsheet with links to all teachers' videos.

Thank you.
