Good Afternoon Brooklyn Arts Families,

I hope your summer has been restful and safe. We are so excited to welcome students back to school on **September 7th at 8:30**. Below is some key information for both students and families to ensure a smooth beginning to the school year. This message will also be posted on our website.

- **Students:**
  - You must have access to your [NYCDOE Email Account](#). This will allow you to see your courses and grades throughout the year, and access Google Classroom. If you need your account information please [click this link](#).
  - Your schedule and other vital information can currently be found on [TeachHub](#). We recommend you **check your schedule this week**. If you believe there is an error please [click this link](#). If a correction is appropriate, it will be reflected by the first week of school. Meanwhile, please follow your schedule as posted.
  - On the first day of school (September 7th) all students will receive a paper copy of their schedule, along with a MetroCard and other relevant documents. When you arrive at 8:30, please report to your [assigned location](#). Staff will be available to assist.
  - New Students should be sure to check the [New Student Summer Folder](#) before school begins. Remember all students can access important resources on the student page of our [website](#).
- **Parents and Guardians:**
  - Please be sure you have registered for your [New York City School Account](#). This is the only way to access students' grades and attendance, as well as receive messages from the school. We will be 100% implementing the DOE systems for these functions this year. For assistance in logging into your account, please [click this link](#).

Feel free to contact your Guidance Counselor if you have any questions. Please allow 48 hours response time as the volume of inquiries this time of year is high.
